

SCITTÀ PARCHET
SCARA 116000

An aerial photograph of a coastal region, likely a wetland or marsh area, overlaid with a cadastral map. The map shows numerous land parcels, each labeled with a number and a letter (e.g., 12 70C, 12 65E, 12 62A). A prominent green hatched area is located in the upper left quadrant. A dark, irregularly shaped area, possibly a body of water or a dense forest, runs diagonally across the lower half of the image. Several red dots are marked on the map, with numbers like 103, 104, 107, and 123E near them. The overall color palette is dominated by dark blues and greys, with some lighter areas representing water or open land.
